

Explosive Handlers / Explosive Entry

April 2 - 6, 2007
Columbus, Ohio

The Ohio State Highway Patrol Special Response Team and Columbus Division of Fire Bomb Squad are co-hosting an Explosive Handlers / Explosive Entry Course, April 2 – 6, 2007. The course will be presented by **Olive Security Training Center** (formerly *Tactical Explosive Entry School*) and is divided into two modules:

- 1) **Explosive Handlers Module:** (days 1 & 2) This course is conducted immediately prior to the Explosive Entry module. It has been designed for personnel with little or no experience in the recognition and handling of explosives. The module will cover Theory of explosives; Accessories and firing devices; Preparation & firing of charges; Safety & recognition; Misfire & counter charge drills; Electric, non-electric & shock tube initiated firing systems. (EOD technicians need not attend this module)
- 2) **Explosive Entry Module:** (days 3, 4 & 5) Pre-requisite: Explosive Handlers Module or proof of equivalent qualification. This course will cover Theory of explosive breaching; Construction, placement and firing of various breaching charges; Calculating net explosive weight; Calculating safe stacking distance; Calculating internal overpressure; Emergency assault drills; Simultaneous entries; Theory of wall breaching; Intelligence gathering / target analysis.
