

Olive Security Training Center

Formerly Tactical Explosive Entry School

EXPLOSIVE ENTRY COURSE (EOD TECHNICIANS)

This course will highlight the tactical advantage of why your team should possess an explosive breaching capability. Operationally proven explosive breaching charges will be taught and performed repeatedly throughout the course.

Additionally all students will be required to show proficiency in a variety of subjects that relate to issues affecting liability. On completion of this course, officers / operators will have the knowledge to confidently fulfill the duties of a tactical breacher on their department's special operation team.

STUDENTS:	18 maximum
RESTRICTED TO:	Law enforcement EOD, military EOD or military demolition / engineer certified
DURATION:	3 days
